9. Social Media Groups and Communities

Business owners, entrepreneurs, and investors of all levels are welcome here. We have community members of all skill and experience levels, from college students to entrepreneurs to multi-million dollar enterprises.

We want people to feel safe when using our groups and forums. For that reason, we've developed a set of community guidelines, outlined below. These policies will help you understand what type of sharing is allowed in our private groups and communities, and what type of content may be reported to us and removed. Because of the diversity of our global community, please keep in mind that something that may be disagreeable or disturbing to you may not violate our community guidelines.

Keep it respectful

Comments that are inappropriately negative, rude, or attacking will be deleted, removed, or we will ask you to revise your thoughts. Everyone is here to learn and grow, so anything violating that will be removed.

No pitching to the group

We have a strict 'no shopping for customers' policy in our groups. This includes pointing people to blog posts with your offers/affiliate offers and publicly asking members to join your own Facebook groups or communities. Be cautious of unsolicited private messages to group members. If we get multiple complaints that you or someone else is using private messages to make unsolicited pitches to members, you may be asked to leave. You should view the group as your peers, not your leads.

No gated content

Content posted in the groups cannot be used to harvest leads in any way. If you need a feedback or a review, post the direct PDF, document, or screenshot. Don't require people to opt-in to view.

Respect confidentiality

Content gathered in our online community groups cannot be collected, repackaged, and/or shared outside the group. Every member of our communities has a right to privacy and the right to feel safe that their questions, answers, and experiences remain privy to group members only.

Keep it on topic

We reserve the right to remove posts based on off-topic content or offensive content.
Partnering with other members

Access to this group does not mean that Dessauer Group II LLC endorses anyone's products or services. Please be cautious and do your due diligence when partnering with anyone in the group – don't assume everyone is trustworthy. If you are looking for help implementing the stuff that REAL WISE by the Dessauer Group teaches, we do have a list of (vetted) partners through our Certified Partner program.

Report posts that are breaking group policies

Due to the large amount of people in our groups and communities, it's sometimes difficult for us to catch everything. If you see a post that is questionable, please report it, tag our community manager in the comments, or reach out to our community manager directly via private message so our team can review them.

Breaking the rules

Three warnings for rule-breaking behavior will result in a 7-day removal from the group. After the 7 day period, you are welcome to rejoin the group on a 30-day probation. If you break the rules again during your probation, you will be permanently removed from the community or group.
